Michael – Here are the current documents.

As you will see from the Working Group feedback document, we are attempting to find common ground among the membership.

Note: Send out the notes from tomorrow's meeting and any action items later this week.

Thanks, Kathleen

Subject: Action Requested: NACDS DEA WG -- Code of Conduct Survey

Dear Working Group Members,

As promised, the Working Group Co-Chairs and NACDS team pulled together the attached survey document for your review and consideration. The document sets forth identified red flags and proposed concepts to meet the Board directive of catalyzing action, not just codifying already known red flags. While some of the *draft* items are intended to

be controversial, we hope that they will stimulate a dialogue within your company about how best to execute the Board's directive.

Action Requested: We are encouraging Working Group Members to reflect on the identified red flags and proposed concepts. In so doing, we ask that your team provide corresponding proposed action, additional information and comments to the proposals. Once we gather potential action/information/comments, we will then ask the working group to prioritize proposed actions.

Comments Due: Please submit your comments and proposed actions by *January 25th*.

We also have attached a summary of the in-person meeting. Please note that next steps & the timeline are as follows:

- Jan. 25th -- WG Members Written Comment Deadline
- Jan. 30th -- NACDS Disseminates Aggregated Comments
- Feb. 1st -- WG Conference Call
- Feb. 4th -- Provide status Update @ Regional Chain Conference – DEA Compliance Exchange
- Feb. 12 -- WG In-Person Meeting

Thank you for your time and attention to this important matter.

Warmest regards,

Kathleen
